EVERLIGHT wants to express deepest condolences to all that were affected by the southern earthquake. Everlight's main supplier chain and factory are under normal operations.

Shulin, Taiwan, February 6, 2016 – EVERLIGHT today announced that the recent 6.4 magnitude earthquake recorded in southern Taiwan in the early hours of February 6th had no effect to EVERLIGHT's operations. EVERLIGHT's main supplier chain and factory are in northern Taiwan; however, normal operations are continually going on and shipments will not be affected. We do want to extend our deepest condolences for the destruction and loss of life caused by the earthquake.
